## **QC Board Directors (Volunteer) x 2**

State-wide focus

Job posted on: 29<sup>th</sup> August 2022

### ***Applications Close 23rd September 2022***

The Queensland Council for LGBTI Health (QC) has two Board Director vacancies and is looking to appoint.

We would value experience in a whole of community approach to wellbeing throughout our diverse state and its rural and regional areas, and experience from those particularly who do not have access to systems of support that may be found in our metro centres.

This is an extraordinary opportunity for individuals who are passionate about our work with LGBTIQ+ Sistergirl and Brotherboy communities including our First Nations communities and will be a growth and professional development opportunity for the right people.

We are actively looking to increase the diversity on our Board to reflect the diversity of the communities with which we work. We are particularly interested in working with First Nations people, people from a range of cultural and linguistic backgrounds, people with disability, neurodivergent people, and LGBTIQ+ Sistergirl and Brotherboy individuals including those who are trans and gender diverse and individuals with intersex variations, and people who are Ageing.

The role requires attending approximately 8 Board Meetings a year and membership on at least one of the Board's sub-committees. It is expected that Board Members attend a number of organisation related events each year.

### **Our Purpose**

The Queensland Council for LGBTI Health (QC) has been a home for Lesbian, Gay, Bisexual, Transgender, Intersex, Queer, Sistergirl and Brotherboy people and communities in Queensland for over 35 years. We are proud to be a community led and community owned health and wellbeing service, representing the diversity of our communities.

### **Desirable Criteria**

The ability to think strategically and identify and critically assess strategic opportunities and threats and develop effective strategies in the context of the strategic objectives of QC and relevant state /national policies.

The ability to identify key risks for the organisation in a wide range of areas including legal and regulatory compliance, and monitor risk and compliance management frameworks and systems

Living in rural, regional and remote areas of Queensland with an ability to bring those experiences to the Board table and feed in to strategic conversations

Commercial or business experience preferably in the small to medium enterprise context, in areas for profit training and consultancy, accreditation systems, practices and improvement.

An understanding of the role of the Board when the organisation has a CEO and staff team to do the operational implementation of the strategies of the organisation.

A passion for advancing the health and wellbeing of our LGBTIQ+ Sistergirl and Brotherboy communities and families here in Queensland.
